

Self-Promotion Coaching Package

Do you feel uncomfortable talking about what you do? Do you feel stuck in your career path? Do you wonder how to let others know about your accomplishments without appearing arrogant?

If you answered YES to any of these questions, then Self-Promotion Coaching is for you!

Our trained coaches give you the guidance and accountability you need to reach your goals. We help you create an action plan for achieving your career objectives and teach you how to tell your story powerfully, authentically and confidently. Whether you want to be promoted, change career paths or develop more business, this dynamic program provides the partnership and tools you need.

Package Includes:

- Five one-hour coaching appointments
- A copy of *The Art of Self-Promotion: Tell Your Story, Transform Your Career*
- Step-by-step worksheets and exercises
- An experienced, trained coach to work with you one-on-one
- Online access for questions, accountability and check-ins

During Your Self-Promotion Coaching You Will:

- Identify and/or clarify your 12-month career goals
- Identify your current mindsets about self-promotion and shift to more empowering mindsets
- Identify target audience and context for your self-promotion
- Engage in guided self-reflection
- Create your targeted self-promotion story
- Participate in role plays
- Develop a concrete, specific self-promotion action plan
